Hungarian Aphasia Choir

2021

Performance at Hungarian Rehabilitation Conference 7th September 2021

Virtual UK-Hungary Aphasia Choir meetup 22nd November 2021

International Aphasia Choir HUB

Our aphasia choir leaders are members of ACGG:

The image shows a screenshot of a Facebook group page. At the top, there is a navigation bar with the Facebook logo, a search bar containing 'Keresés a Facebookon', and several icons for home, notifications (9+), a calendar, a group icon (1), a share icon, and a profile picture for 'Fanni'. Below the navigation bar is a large photograph of a group of approximately 18 people, mostly women, standing in two rows. They are all wearing white t-shirts with the text 'TULSA APHASIA CHOIR' and a musical note icon. Below the photo, the group name 'Aphasia Choirs Go Global' is displayed in bold. Underneath the name, it says 'Privát csoport · 112 tag'. There is a row of small circular profile pictures of group members. To the right of this row is a blue button with a plus sign and the text 'Meghívás'. Below the group information is a graphic featuring a globe with several circular icons of people's faces connected by lines, representing a global network.

Question to
AIA members

What happens with people with aphasia after
discharge from hospital?

What type of rehabilitaion they receive?
